

Joy Junction Mission Statement

Joy Junction provides a hand up to homeless and hungry women, children, and families. With food, shelter, clothing, recovery programs, and life skills training, we empower individuals to re-enter mainstream society and break the cycle of homelessness, one life at a time.

Joy Junction 2018 Highlights

In 2018, Joy Junction served hundreds of thousands of meals in total, and provided many nights of safe, warm shelter. Our Lifeline of Hope mobile food outreach was out on the streets of Albuquerque seven days a week providing food and encouragement, and our annual Thanksgiving & Christmas Homeless Feast events served thousands of hungry people at the Albuquerque Convention Center.

As many as 200 homeless individuals attended our life recovery program, annually, featuring a Biblical twelve-step program, life skills, and more, designed to offer a hand up, not a hand-out. Upon graduation, many program participants are ready to return to mainstream society.

From a financial and stewardship perspective, the percentage of administrative and general expenses has fallen or remained stable for the eleventh straight year. One hundred percent of the revenue received by Joy Junction comes from non-government sources: individuals, churches, businesses, and foundations.
