

About Us

Since opening our doors in 1986, Joy Junction has grown quite a bit as we continue to focus on keeping families together. We provide a “hand up” to the homeless and hungry of Albuquerque, offering help and hope to those in need. As many as 350 individuals count on us for shelter, food, clothing, and programs each day. It is our privilege to serve and care for them.

You Are Welcome

Joy Junction shelters homeless (or abused) women, couples, and families. Children are accepted only with a parent or guardian also staying at the shelter. Single men are welcome as available space allows. We provide you with basic needs, as well as deeper emotional and spiritual support.

Programs

• **Christ In Power Program (CIPP)** is a nine-month life recovery program that teaches life skills, and good decision-making processes, to help you return to mainstream society and employment. Our Bible-based approach focuses on your physical, emotional, and spiritual needs, to help you overcome addictions and other destructive behaviors.

• **Hand Up Program (HUP)** is a program designed to advocate

for your needs as well as assisting in securing the necessary resources to successfully reintegrate you into mainstream society. Our staff will teach you how to schedule and keep appointments, and assist you with writing resumes, searching for employment, applying for housing, food stamps, social security benefits, and other needs.

• **Transition Program** is a program that allows you to be boarded for six months, during the time you have employment but no housing. This period of time gives you the opportunity to save a portion of your salary to find housing. You will be required to meet with the case manager twice a month and deliver a copy of your paycheck stub to them.

• **Boost Program** is a program allowing those with physical mobility needs (serious or terminal medical issues that restrict mobility) to be boarded indefinitely. You will be required to perform 15 hours of chores per week. The chores will be adapted for your mobility situation and you will receive a gift check of \$10 each week to help with any other desired supplies.

You can do it!

Individualized Help

At the shelter, our chaplain is available to help you with pastoral guidance, and our case manager can offer advice on individual career and life planning. When possible, we also provide transitional housing to help ensure a continuation of a transformed life upon program graduation.

Lifeline Takes It To The Streets!

Joy Junction’s crew drives a food truck, called the “Lifeline of Hope,” throughout

Albuquerque to designated spots to serve you meals if you are homeless or hungry. We also hand out hygiene items, blankets, coats, and other goods when they are available. Call 505-877-6967 for more information on the driver’s route.

Call us!

We invite you to contact us if you are homeless and need a place to call home until you can get back on your feet. **Please call us at (800) 924-0569 or (505) 877-6967.**
